**ASSET FORFEITURE MONEY FOR COMMUNITY SERVICE PROGRAMS
AVAILABLE ONCE AGAIN FOR FISCAL YEAR 2021-2022**

PASADENA, Calif. – The Pasadena Police Department is once again committed to providing the availability of asset forfeiture funds for appropriation to community based non-profit organizations (501(c)(3) or (4)) whose stated missions are supportive of and consistent with a law enforcement effort, policy, and/or initiative.

The purpose of the Department of Justice Equitable Sharing Program allows law enforcement agencies to provide support to neighborhood safety, promote crime prevention, and provide drug abuse education and offer drug abuse prevention services.

This is accomplished by offering funding to non-profit organizations which have developed specific projects to address these areas of concern. The Pasadena Police Department Asset Forfeiture Community Reinvestment Grant program is a critical component of the police department's support for the neighborhoods that we protect and serve. The maximum funds allowed is \$25,000. This year, we are committed to award 2 qualifying recipients in the amount of \$12,500 each.

For additional information, eligibility requirements and access to the Community Reinvestment Grant application, click the following link:
