

**CITY OF PASADENA HEALTH OFFICER ORDER
FOR THE CONTROL OF COVID-19**

**ORDER TO COMPLY WITH CALIFORNIA DEPARTMENT OF PUBLIC HEALTH
BLUEPRINT FOR A SAFER ECONOMY – ORANGE TIER**

This Order Issued: April 1, 2021

This Order is in effect as of April 5, 2021, 12:01 AM until rescinded in writing by the Health Officer.

Please read this Order carefully. Violation of or failure to comply with this Order is a crime punishable by fine, imprisonment, or both. (California Health and Safety Code §120295.)

SUMMARY OF THE ORDER: California is in a State of Emergency because of the COVID-19 pandemic. The spread of COVID-19 is a substantial danger to the health of the public within the City of Pasadena. COVID-19 can easily spread between people who are in close contact with one another. Everyone is at risk for becoming ill with COVID-19, but some people are more vulnerable to serious illness, including pneumonia and organ failure, or death, due to their age, physical state, and/or health status.

The City of Pasadena Health Officer (“Health Officer”) has issued a number of Orders to help slow COVID-19’s spread, protect vulnerable individuals, and prevent the healthcare system in and around the City of Pasadena from being overwhelmed. The Revised Safer at Home Orders, dated March 22, 2020 and supplemented April 11 and May 15, 26 and 29, June 11, 18 and 28, 2020, and July 1 and 14, 2020 issued by the Health Officer, as amended (<https://www.cityofpasadena.net/public-health/health-order/covid-19/>) as well as other “Safer at Home” orders issued by other jurisdictions have proven to slow the spread of COVID-19.

This Order directs all individuals and businesses to comply with Tier 3 (Orange) of the Blueprint for a Safer Economy, issued by the California Department of Public Health (“CDPH”) on August 28, 2020, as periodically updated by the CDPH and as implemented by the protocols set forth by the Health Officer.

This Order supersedes all previous Health Officer Orders that are not consistent with the terms of this Order.

Except as provided for herein, all previous orders of the Health Officer remain in full force and effect.
