Items ready for you to pick up from the holdshelf will say "Ready. Must pick up by [hold expiration date]" in the "STATUS" area

Items which are not yet on the holdshelf for you will list your queue status, as in this example, where the requester is 2nd in line and there are 5 holds total.

You can use the drop-down "Pickup Location" menu to change your pickup location at any time until the item is ready on a holdshelf for you.
