Ms. Nunez,

Can you please tell me what is happening with the CUP of 169 W.

Colorado? <https://ww5.cityofpasadena.net/planning/wp-content/uploads/sites/56/2019/01/HARVEST-Redacted-CUP.pdf>

It looks as if this location is within 600ft of residential use. Have they been in front of a hearing officer? I went through all the hearing officer agendas and didn't see it listed. Have I missed something?

As you see here on the map, it does pass within 600 ft. Can you help explain? Thank you, Erika Foy
