**CAUTION:** This email was delivered from the Internet. Do not click links or open attachments unless you know the content is safe.

Good morning,

We would like to request for a breakdown of our application score and any comments that may have been made about our application during the review process. Currently we are conducting a Post-Mortem report to identify areas that could be improved on should we pursue future license application opportunities.

Your assistance with this matter is greatly appreciated. We look forward to your prompt attention and response to this matter.

Sincerely,

Dominique
