That deadline is for copies

These records are supposed to be available for inspection "at any time" and that is what I want to do..."inspect them"...today.

Ms. Nunez:

I am making a public records act request for the emailed CUP application submission documents sent to you yesterday by Harvest of Pasadena.

It is my understanding that the entirety of the submission is a public record.

You may email me a copy to martin117a@gmail.com

In addition, I note in the email you sent this morning that you stated that city offices are closed tomorrow although it is not a normal Friday off day. Are you closed tomorrow?

Thank you
