my phone number is 626-354-4550

I would also like to know if an appointment has been made with Harvest to submit the hard copy application materials and remit fees.

If so I will need to inspect both the original June 12 submission and any subsequent hard copy submission.

I am once again requesting to immediately inspect the entire cannabis CUP application for Harvest of Pasadena, LLC.

Government Code Section 6253(a) provides that public records are open to inspection at all times.

I have attempted to be courteous and allow staff to schedule a time that is convenient for them. I have even agrees to restrict my prior requests for the convenience of city staff based on city staff's representations that Harvest's full CUP Application would be posted online.

City staff have failed to post this document online and as a result I want to inspect it in person, today.

I have been more than patient. Please respond promptly.

Thank you

Martin Truitt
