Hello,

My name is Tony Fong from Varda. I am in the process to secure a property on 3355 E. Colorado Blvd for a commercial retail location.

This location is within 600 feet of Rosemary Children Service and residential, but both sensitive use is in the county of Los Angeles.

Can we confirm this location with the city before we sign an agreement with the land lord?

Do we need to hire a third party to verify this location?

Thank you for your time.

Best regards,

Tony
